NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Wednesday, December 14, 2022:

MINUTE entry before the Honorable Steven C. Seeger: The Court reviewed the joint status report (Dckt. No. [234]), which itemized 16 pending motions. The Court's internal system shows that there are 21 pending motions. The Court winnows the field as follows. Two motions (Dckt. Nos. [157, 158]) are unsealed versions of sealed motions (Dckt. Nos. [156, 159]). That's two stones aimed at one bird. So, for case administration purposes only, the unsealed versions of those two motions (Dckt. Nos. [157, 158]) are denied as duplicates of the sealed motions (Dckt. Nos. [156, 159]), which remain pending. Defendants' motion in limine about one live appearance per witness (Dckt. No. [166]), and Defendants' motion in limine to bar articles and books for the truth of the matter asserted (Dckt. No. [165]) are deemed withdrawn, as confirmed in the joint stipulation dated September 19, 2022. (Dckt. No. [211]). The final motion is Plaintiffs' motion in limine no. 4 to preclude references to prior lawsuits or trials. (Dckt. No. [176]). That motion is not in the list of pending motions in the joint status report (Dckt. No. [234]), but this Court does not see an express acknowledgment on the docket stating whether that motion is live. The parties must inform the Courtroom Deputy by email whether that motion continues to present a live issue. Mailed notice(jjr,)
